

# BELMONT LAND USE OFFICE

**TO:** Belmont Business Owners

**FROM:** Belmont Planning Board

---

The Belmont Planning Board periodically provides information and updates to our local businesses as part of our business initiatives. We wish you a successful upcoming season and encourage you to contact our Land Use Staff if there is any way in which we can provide you with additional information or assistance.

## Belmont “Business” Website

The Town of Belmont has added a “*Business Resources*” link on our website at [www.belmontnh.org](http://www.belmontnh.org) to provide customers with easy access to Economic Development information. Be sure to check out the **Additional Business Resources** link on that page. On the homepage you will also find links to current Business Workshops and Roundtables.

### The Occupational Safety & Health Consultation Service

Provides free on-site health and safety services to eligible employers. Their goal is simple – to prevent job injury and job-related illnesses. The Consultation Service is primarily targeted for small businesses, but they welcome the opportunity to help employers of all sizes. Give them a call at (603) 222-1569! Be a proactive business – take advantage of this free, confidential and effective business tool. You can also check them out at [http://www.keene.edu/conted/osha\\_consult/](http://www.keene.edu/conted/osha_consult/).

175 Ammon Drive – Suite 101  
Manchester, NH 03103

### NH Business Resource Center

The mission of the Business Resource Center is twofold:

- to retain and help expand existing New Hampshire businesses.
- to attract new companies to our great state.

Let your business take advantage of a valuable resource. It’s easier to get funds for training than you may think! The Workforce Development Training Fund (WDTF) is designed to help companies of all sizes become more competitive by providing funds to create a highly-skilled workforce.

## Timely Reminders & Community Newsletter and Calendar

Check out the **Timely Reminders** brochure and monthly **Community Newsletter and Calendar**. Both can be accessed with QuickLink buttons on our homepage. **Reminders** is all about *who we are, who to call and when we're open*. Great info to receive convenient services from the Town. The **Newsletter** contains timely information and reminders as well as notice of upcoming Town events and deadlines.

### Belmont Business Index

If you are not already included, now is a great time to send in your information so that you may join many businesses in the community that enjoy this free and effective way to reach local customers. The list is published on our website and available in the Land Use Office at the Town Hall.

If you already participate please update your information and return it to our office so that we can be sure our records are current. We have many requests for the list and hope that our local companies enjoy added business from this opportunity. Forms are available at [www.belmontnh.org/docs/ords&apps/BusQues.pdf](http://www.belmontnh.org/docs/ords&apps/BusQues.pdf) and in the Land Use Office.
