# Belmont Farmer's Market Sundays

New site for market days in 2017. To increase our exposure to motorist traffic, our markets will be held at the RideShare parking lot on Rte. 106.

## A Community Market and Gathering Place

Our monthly market days offer fresh produce, baked goods, crafts and numerous other products for sale. But most of all, our aim is to provide a place for people to gather to socialize and gain a sense of "community". We believe that providing an inviting environment with room for people to linger will translate into quality sales for our wonderful vendors! Live music and demonstrations are just a bonus to attract our guests!

## Live Entertainment Featuring Local Musicians

It's important to us to help shine the spotlight on local talent! In 2016, we featured acoustic guitarists at each Farmer's Market Sunday. We are thrilled to continue our monthly entertainment and are happy to provide the venue for their uplifting performances.

Young musicians entertain while patrons shop.

Quality, handcrafted woodworking items.

## Demonstrations by Local Artisans

In 2016, we invited some amazing artisans to show their talent at our Farmer's Market. Our visitors loved it, because it allowed them to ask questions and see products being made in front of their eyes.

From Shaker broom making, to yarn spinner, to woodworking, all of our markets offer time for conversation and encourage visitors to buy direct from the maker.
