Belmont Old Home Day on Aug. 11

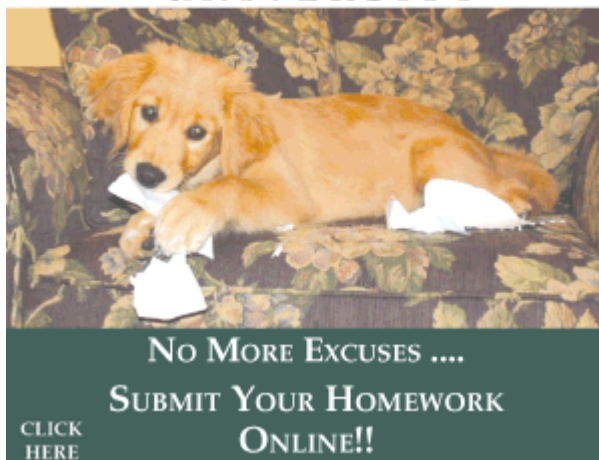

BELMONT — Belmont Old Home Day will be Saturday, Aug. 11. The theme this year will be "Celebrating Our Community."

The daytime activities will be held at Belmont High School due to construction in the downtown area, but this will not dampen the festivities. There will be live entertainment, craft and food vendors, a children's parade and a community talent showcase. And the evening activities will be held at Bryant Field with a performance by the Eric Grant Band.

The day will conclude with the always spectacular fireworks display, sponsored by Atlas.

For further event information, go to [www.bel-](http://www.belmontnh.com)
