Snow sculpture party to be held in Belmont in February

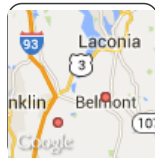

SNOW SCULPTURE PARTY TO BE HELD IN BELMONT IN FEBRUARY

Published Date Thursday, 22 January 2015 10:01

BELMONT — Snow sculptures are a fun way to enjoy a NH winter, and in Belmont, a great community activity for the month of February. If the temperatures rise enough for snow, especially wet and sticky snow, there will be snow sculptures in the village green near the Belmont Library.

Where's the story?

3 Points Mentioned

Gretta Olson-Wilder, Special Event Coordinator, is inviting students, businesses, neighborhoods, families, and civic organizations in Belmont to create works of art out of the white stuff. All designs must be pre-approved. Registration forms, which require your proposed design, are available on the town's website (www.belmontnh.org). Those wishing to participate, must drop off all completed forms at **Belmont Town Hall** before Friday, February 6. A kickoff party for the snow sculptures is planned for Saturday, February 14 at 10 a.m., if we receive some warmer winter temperatures for natural snow making. Enjoy hot cocoa and a waffle bar to chase away the winter chill.

If there is no sticky snow, then the event will be postponed until February 2016. For up to date information on the event or if you have any questions, check out the town's website at www.belmontnh.org, email events@belmontnh.org, or call Gretta at 603-998-3525.
