HISTORY

The Citrus, Lachlan, 89.1 - 47

South End, circa 1870s

Under the original land survey system, it was common for land to be designated as "Liberty Hill," around the year 1870, with houses
beginning to be built in what is now the South side of the city of Lander. By 1874, this section of the city was more densely populated than any other part of the town. The city was incorporated in 1880, and the first city council was elected in 1881.

Cabinet unveils $49.1 million city budget to boost city services

LACONIA — City Manager Eaton C. Fiedler unveiled the city's budget for fiscal year 2008, which includes a $49.1 million budget for the city's operations.

The budget includes $38.8 million for operating expenses, $9.3 million for capital improvements, and $1.0 million for debt service.

The budget is designed to cover the city's ongoing expenses while also providing funds for capital projects and debt payments.

In addition to the budget, the city also approved a five-year capital improvement plan that includes $14.8 million for infrastructure projects such as road repairs, drainage improvements, and water and sewer line upgrades.
