

Belmont Residential Curbside Trash Pickup and Recycling Drop Off Center

Residents who have **municipal curbside trash pickup** can check the [Pickup Schedule](#) (attached) for the correct pickup day for their street. Trash should be curbside no later than 7am. Collection is made from one side of the street at a time. Trash pickup will be rescheduled on Christmas, New Years, Memorial Day, July 4th, Labor Day and Thanksgiving. **Waste Management Disposal Service** is the municipal contractor for this service. Call the Town Hall at 267-8300 with any questions or comments.

Non-trash items not eligible for curb-side pickup are accepted at **Bestway Disposal**, 43 Industrial Drive. No resident sticker is required. A fee may be charged.

Multi-unit residential and non-residential uses must contract with a private provider.

A **Recycling Drop-off Center** is also operated by **Bestway Disposal** at 43 Industrial Drive. The Town will provide residents with 2 free recycling bins which can be used to deliver your recyclables to the Drop-off Center.
