Trail Etiquette & Safety Guidelines

- Keep dogs close and under complete control.
- Continue to move past cattle rather than staying in their presence.
- Keep at least 10 feet away from cattle and ride a horse slowly.
- Approach from the front or side, avoid the blind spot behind them.
- Never feed or hand feed cattle.
- Never run; run may disturb or startle cattle.
- Do not approach cattle from behind.
- Do not get between a cow and her calf.
- Do not make quick movements, or flap your arms.
- Do not shout or make loud noises.
- Do not "rescue" or touch calves that appear separated from their mother.
- Do not feed cattle.
- Pet waste must be cleaned up and taken home with you.
- The South Road end of the Trail is closed to the general public and is not open for parking.
- Pets must be on a leash and under control.
- Clean up after your pet.
- Do not litter; please help us keep the trail litter free.
