Belmont sued over bank building buy

<http://www.laconiadailysun.com/index.php/newsx/local-news/65828-belmont-responds-to-lawsuit-from-former-owners-of-northway-bank>

The McDonoughs, who sold the building to the town for less than \$250,000 — the exact price has never been publicly disclosed — in late 2012 filed suit against the town saying that the ongoing discussions about the downtown revitalization program and the discussion about discontinuing a portion of Mill Street cost them rental income as well as devalued their property.
