

# Open House on Town Buildings

October 11<sup>th</sup>  
4-7:30 PM Belmont High School Cafeteria

Learn about Belmont's Town Buildings and help shape a Strategy for their future use.

On October 11<sup>th</sup>, the Town Facility Strategy Committee is hosting an Open House and Listening Session at Belmont High School from 4-7:30 pm. Plan to attend if you'd like to learn more about Town Buildings and help develop options for their future use. There will be information tables and an overview provided with photos of some Town facility issues like tight office space in the Police Station and first floor of Town Hall, limited shelf space and accessibility challenges in the Library and creating an indoor space for youth and community recreation. There are opportunities for better use of existing buildings, as well as options for leasing or sale of buildings. The Committee invites local residents to join in, learn about existing needs and share your ideas about Town buildings.

You can stop in at any time during the Open House to participate or tune in on Lakes Region Public Access station. There will be public comment forms to provide your input at the meeting. At 6 PM there will be a short update on the Facility Strategy study and an opportunity to ask questions and provide feedback.

### Open House Schedule:

4:00-7:30pm Open House

6:00-6:30 Overview/update on Belmont Facility Strategy Committee. What we've learned, seeking input on what's most important, and how to help us shape some options to consider as a community.

If you are interested in learning more about this Town Facility Open House and want to get involved, contact Donna Hepp at [dhepp3@gmail.com](mailto:dhepp3@gmail.com) to get on the mailing/email list. Information updates will be also shared on the Town website and newsletter.
