Welcome to Casella’s Curbside Trash and Zero-sort® Recycling Collection Service!

We appreciate the opportunity to provide curbside trash and recycling service to the Town of Belmont, New Hampshire.

With Zero-Sort® Recycling, we’re making it easier for you to recycle. All paper, cardboard, plastic, glass, metal, and more can be tossed into one bin without the need to separate.

Please refer to the guide on the other side for a detailed list of materials you can recycle. Here are some important details regarding your trash and recycling service:

» Trash and recycling are collected every week on your current collection day.

» Please place your trash and recycling curbside by 7:00 am on collection day.

» Each recycling container must be clearly marked with a recycling decal. Decals are available for free at the town office.

» Service will be delayed one day if collection falls on a holiday. Holidays observed are: Memorial Day, 4th of July, Labor Day, Thanksgiving Day, Christmas Day and New Year’s Day.

Questions or Comments?
Our customer service staff is available to help answer questions about your trash and recycling services. Please call us at 603-524-5881.

Frequently Asked Recycling Questions

What is Zero-Sort® Recycling?
Zero-Sort Recycling is Casella’s state-of-the-art process which enables a paper, cardboard, plastic, glass, metal, and more to be collected together in one bin without the need to separate.

How should I prepare my recyclables?
Recyclables should be rinsed clean of any food waste. Corrugated cardboard boxes should be broken down into smaller pieces. Lids and caps can remain on empty bottles. There is no need to tie newspaper or cardboard with twine.

What type of metal can I recycle?
Aluminum and tin cans are acceptable. Pots, pans, and scrap metal such as automotive parts, motors, and appliances are NOT ALLOWED.

I saw someone throw all of my recycling in the back of a truck without separating it. Was the recycling treated as waste?
No. We have numerous Zero-Sort operations that will separate the recycling in a state-of-the-art facility. The truck will deliver the recyclables to one of these facilities. Once separated, they are sold and recycled.

What are large rigid plastics?
Items made of plastic which include 5-gallon buckets, sleds, soda crates, laundry baskets, plastic chairs, carts, and garbage cans.

Can I put my recyclables in clear plastic bags?
No, plastic bags are not accepted in the Zero-Sort. Please place your recyclables “loose” into 30 gallon or smaller containers that are available at most local hardware stores.

This reference guide provides detailed information on your town’s curbside trash and recycling collection.
