Foley Oil & Propane Offers donation to Dutile's Fuel Program

LACONIA — Foley Oil & Propane recently donated \$1,000 to Mike Dutile's Freedom Fuel for Veterans program. Dutile, owner of Dutile and Sons Oil Company, has created a non-profit organization providing free fuel oil to needy veterans who may be active or retired.

His program runs purely on donations from the citizens of New Hampshire and 100% of the money stays within the state. Decisions are made locally, thus expediting the approval process. "In emergency situations, we are able to have a very fast turnaround without any red tape" says Dutile.

Foley Oil & Propane President Jeff Pierson hopes other businesses will also consider making a donation toward helping veterans. Donations may be mailed to: Freedom Fuel, 242 Messer Street, Laconia, NH 03246 or online at www.dutileoil.net on the donation page.
