The summer is just melting away; we have a number of projects ongoing at this time which include work on Wareing Road, Phase II of Ladd Hill Road and the installation of a large culvert on Hoadley Road. In addition our Public Works Department has been cutting brush, coordinating new pavement on Union Road and readying equipment for the upcoming fall and winter. We continue to appreciate your patience during the ongoing road work and in the event you have any concerns, please do not hesitate to contact the Public Works Department at 528-2677 or the Town Administrator’s Office at 267-8300 Ext. 124.

The long awaited Lake Winnisquam Scenic Trail will be completed this month and we would like to express our thanks to the members of the BRATT Committee and Land Use Technician Rick Ball for their perseverance and hard work. The trail will be an exciting new recreational opportunity for the community. We look forward to work progressing on the Village Spur Trail later this year as well.

We would like to thank the members of the Belmont Fire Department, Belmont Police Department and Belmont Public Works Department for their efforts this summer to insure the cleanliness and safety of our beach. Their efforts have been most appreciated by the staff and residents of the community.

A reminder that Old Home Day will be held on Saturday, August 13, 2016 and following a request from our Special Event Coordinator and members of the community; the format will revert to include the Road Race. Check out www.belmontnh.org for more information and a schedule of the day’s events.

Budget worksheets will be distributed to Department Heads this month and the Board of Selectmen will begin reviewing the proposed 2017 budget in mid-late September. It continues to surprise me how quickly we go from Town Meeting approval of the budget to work on the following year. Our Budget Committee meetings in addition to our Selectmen’s meetings will be live streamed this year (http://www.livestream.com/belmontnh) and you will be able to watch them on LRPA Channel 25.

IT is the LAW! (RSA 466:31 II (c)
Our message to all Dog Owners is to remind you of the importance of picking up your dog’s waste from property not your own. The town installed at three different locations, dog waste stations where you can obtain a plastic bag to pick up the waste and deposit it in the numerous garbage cans located in the Village.

The Belmont Board of Selectmen are on Facebook, look for us at Belmont NH Selectmen; we will be posting information about our upcoming meetings, minutes of meetings, general notices about happenings in Town and we are looking for “friends”. The Board of Selectmen adopted a Social Media Policy at their meeting on May 16, 2016.

Just a reminder that the Town of Belmont is an active member of Lakes Region Public Access Television which can be seen locally on Metrocast Channels 24, 25, and 26. If you are a camera buff and you have an interest in producing a show to be shown on LRPA, please contact the station at 528-3070 to discuss your idea. LRPA has made significant strides to improve programming this past year and its presence in the Lakes Region; we urge you to check out their new website at http://lrpa.org.
Just a reminder that the first day of school will be August 24, 2016, please drive safely.

Your feedback is always welcome and if my office can be of assistance, please do not hesitate to contact me at townadministrator@belmontnh.org.

The electrifying first appearance of Jo Nesbø’s detective, Harry Hole.

Inspector Harry Hole of the Oslo Crime Squad is dispatched to Sydney to observe a murder case. Harry is free to offer assistance, but he has firm instructions to stay out of trouble. The victim is a twenty-three year old Norwegian woman who is a minor celebrity back home.

Never one to sit on the sidelines, Harry befriends one of the lead detectives, and one of the witnesses, as he is drawn deeper into the case. Together, they discover that this is only the latest in a string of unsolved murders, and the pattern points toward a psychopath working his way across the country. As they circle closer and closer to the killer, Harry begins to fear that no one is safe, least of all those investigating the case.

Farmer’s Market This Sunday, July 31

Our first Farmers Market of the summer was held at the end of June, with wonderful scents of garlic scapes and other vegetables that early summer had to offer. The fields are getting greener and every day brings more produce to harvest. This Sunday, July 31, we welcome you to stop by the Tioga Pavilion on Mill Street from 9:30 am – 12:30 pm to browse the delightful produce, baked goods, specialty jellies, and crafts offered by our friendly vendors. All of our market days feature live entertainment and a demonstration. July’s featured guests are Cathy Goodmen demonstrating old-fashioned spinning techniques, and Aiden Rupp on acoustic guitar. The pavilion provides tables and chairs so that you may linger for a while and enjoy a puzzle or a game of chess. If you are interested in becoming a vendor for the remaining market days, contact Gretta Olson-Wilder at 603-998-3525.

Belmont Old Home Day is Saturday, August 13th

This year’s Old Home Day will feature the traditional Belmont 10-Mile Road Race, Cow Pie (10-Mile) Relay Race, Tioga Fun Run, Pancake Breakfast, Children’s Games, Parade, Chicken BBQ, Live Music, Rock Climbing Wall, Fireworks, and so much more! The theme this year is “Bridging Our Generations”, and we encourage families to decorate a float or march in the parade together. Vendor and parade participant information can be found at www.belmontnh.org, or email Gretta at events@belmontnh.org. The full schedule of events will be available soon.

END OF SUMMER BLOCK PARTY

On Sunday, September 4 at 6:30 pm, we will be celebrating the End of Summer with a block party on Mill Street. Who doesn’t love The Beatles, and their early music is so fabulous! The band, Studio Two, brings all of those songs to life during their two hour concert. Bring a picnic and a blanket or use one of our folding chairs. It’s sure to be a wonderful night out to celebrate the End of Summer and Labor Day Weekend. Plenty of room for dancing!

Contact Gretta Olson-Wilder, Special Events Coordinator, at events@belmontnh.org or call 603.998.3525.

Belmont Night Out offers residents an opportunity to meet with local emergency responders and to share ideas about our community safety efforts.

Event organizers Officer Evan Boulanger and Sargent Adam Hawkins working in collaboration with town organizations and departments.
This newsletter article has been 15 years in the making! Today, as I write this, fine grading is being done on the Lake Winnisquam Scenic Trail and paving is scheduled to start on Monday, August 1st! Later this month we will hold a gala Grand Opening ribbon cutting to mark this milestone and introduce the trail to the people of Belmont. Along with the recently started Phase 2 of the WOW Trail in Laconia, we will soon have 5 miles of bike-pedestrian trail from Osborne’s Agway to Lakeport Square.

Moving forward, as we transition into enjoying and maintaining the trail, an active Trails Committee is need. If you would like to become a member and take an active role in the trail’s oversight you can get an application here. If being a committee member is not you thing – there will be ample opportunity to volunteer for doing the day-to-day maintenance. We also plan to fund raise for stewardship, maintenance and amenities to improve the overall experience. Check out our booth at Old Home Day on August 13th.

We have recently had our Letter of Intent to apply for the next round of funding through the Transportation Alternatives Program administered by NH DOT. In this next phase the intent is to continue southward toward Tilton and the Winnipesaukee River Trail. The WRT intends to push their next phase from Exit 20 to the Belmont border at Jamestown Road. When all of the planned phases of the greater trail are completed, there will be 25 miles of trail connecting Meredith Village to West Franklin and the 60 mile Northern Trail. This connected trail system will be a huge tourism draw and have great economic development potential.

Look for our new & improved logo – coming soon!
As summer is winding down, we hope this newsletter finds you happy and well!

It is that time of year that kids lament and parents rejoice... Back to School.

If you are in need of a certified copy of your child’s birth certificate for school registration or even driver’s education, and your child was born in New Hampshire after the year 1982, we can help. Come down to Town Hall, you will need to fill out a short form, bring in your driver’s license, and the cost is $15.00 for the first certified copy and $10.00 for any subsequent copies in the same transaction for the same child. We can also provide you with certified copies for most vital records: birth, death and marriage certificates, as long as the occasion happened after a certain year and in the State of New Hampshire. You can also apply for marriage licenses here. The cost for a marriage license is $50 and it is valid for 90 days. If you have been previously married you must provide the official, sealed documents of how the marriage was dissolved. You must both be present and provide identification. We do ask that you come in no later than 3PM as it does take a bit of time to input all the information.

We hope you can all make it out to celebrate Belmont’s Old Home Day which will be held on Saturday, August 13th. It’s always a good time and a terrific opportunity to get out and mingle with others in our community. Details are provided on our town’s website, www.belmontnh.org.

If you missed Belmont’s Hazardous Waste Disposal day, you are able to participate in Laconia’s Hazardous Waste Day, which is being held Saturday, August 6th at the Laconia Public Works Department. There is information regarding hazardous waste days in surrounding communities in the Lakes Region as well as information about what hazardous waste is on our town website as well.

Coming up September 13, 2016 is our New Hampshire State Primary Election. We have gotten a lot of questions as to what and who we are voting for in this election so hopefully we can clear up some of the confusion. The offices that we will be voting for in this election are Republican and Democratic Party Candidates for the offices: Governor, United States Senate, Representative in Congress, Our District’s Executive Councilor, State Senator, our State Representative for Belknap District 6, our State Representative for Belknap District 9, County Sheriff, County Attorney, County Treasurer, Register of Deeds, Register of Probate, County Commissioner, and on the Republican ballot, the Delegate to the State Republican Convention. The Election will be held Tuesday, September 13, 2016 at Belmont High School between the hours of 7AM and 7PM.

If you need to register to vote, you can stop in the Town Clerk’s office or you can always register at the polls on the day of the election. Remember to bring your proof of residency and official identification. You may NOT however, change your party affiliation at this time.

If you will be unavailable for the election, be sure to request an absentee ballot so your vote counts. You may stop in the Clerk’s office, submit a request by mail, or email a request to tctc@belmontnh.org. Any request you submit must include your signature and the address you wish your ballot to be mailed to. If you are registered as an independent, you must also indicate which Party’s ballot you would like us to send you. For more information on the candidates running for office you can visit www.lfda.org/elections/Belmont/Belknap/nh. We look forward to seeing you at the election!

We hope your summer has been fantastic!
