Many property owners have inquired about the recent Property Revaluation and the impact of the loss in value on the 2014 tax rate. It is important to remember that both the Town and the School conduct a budget review process beginning in late fall through early February; the final budgets are then put before the voters at the Annual Town and School Meetings. The total amount to be raised by taxation is then divided by the Town’s total valuation resulting in the tax rate per $1,000. Our community has been compared recently to the Towns of Alton and Gilford and this is an unfair comparison; their total value is 3 times that of Belmont which results in a lower tax rate per $1,000. The Department Heads, Board of Selectmen and Budget Committee work very hard each year to bring forward to the voters a responsible budget and the proposed 2015 budget is down almost 7% due to their diligence. The Board of Selectmen will be reviewing later this year proposals to annually adjust property assessments so that we do not see the large increases or decreases which result from the State’s requirement that we reassess every 5 years. The Town of Belmont’s 2013 Equalization Ratio was 122.6%; the purpose of any revaluation is to insure proportionality in our values and to bring all properties to 100% of market value.

The Belmont Water Meter Replacement and AMR Upgrade project is scheduled to begin the week of December 1, 2014. You will be receiving a letter in the next few weeks from the contractor, New England Backflow Inc., requesting that you call for an appointment to have either your meter changed out or providing notification that someone will be out to the property to install a radio read device over your existing touchpad. Your cooperation is greatly appreciated. In addition, the Town is also working on an Asset Management Plan for the Water Department. We have taken great strides to improve our infrastructure and to comply with the stringent rules and regulations that protect our water. Your support of these ongoing efforts is greatly appreciated. Our 2014 Consumer Confidence Report relative to our water system is available on line at www.belmontnh.org.

The Board of Selectmen continues to meet regularly regarding future renovations to the Belmont Mill. Our next meeting is Wednesday, December 3, 2014 beginning at 8:00 a.m. at the Corner Meeting House in Belmont. Representatives from Bonnette, Page & Stone and PortOne Architects will be present for the discussion.

2015 Proposed Budget

The Budget Committee has begun work on the 2015 proposed budget and will be meeting at the Corner Meeting House on the following dates:

- Tuesday, December 2, 2014 6:30 p.m.
- Tuesday, December 16, 2014 6:30 p.m.
- Tuesday, January 6, 2015 6:30 p.m.

Please attend our public meetings and provide input or ask questions regarding the process.

We are very pleased to announce the beginning of a new era in Belmont where both trash and recycling will be collected curbside at a substantial savings to the taxpayer. Our new contract with Casella begins January 1, 2015. Your trash and recycling will be collected every week on your current collection day, initially the contractor may run separate trucks for collection however both trash and recycling will be collected the same day. Please continue to place your trash and recycling curbside by 7:00 a.m. on collection day. Recycling containers should be clearly marked with a recycling decal which will be available at Town Hall for free. Please stop by the Town Clerk’s office to pick up your decal (sample below).

We would like to remind residents/taxpayers that recycling bins are available at Town Hall so if you haven’t picked up your bins (2 per household), please stop by Town Hall.

**IT is the LAW! (RSA 466:31 II (c))**

We would like to remind all Dog Owners of the importance of picking up your dog’s waste from property not your own. The town installed at two different locations, dog waste stations where you can obtain a plastic bag to pick up the waste and deposit it in the numerous garbage cans located in the Village.

A brochure outlining frequently asked questions regarding recycling and the specific do’s and don’ts will be mailed to each residential property. If you have any questions, please do not hesitate to contact the Town Administrator’s office at 603-267-8300 Ext. 124 or Casella Customer Service at 603-524-5881.

In order to meet the continuing needs of our residents and taxpayers relative to the sharing of information, we are still looking for a videographer to work with Town Staff and attend Selectmen and other meetings for the purpose of videotaping the meetings. Anyone interested, should contact the Town Administrator’s office to discuss the position further.

The Town of Belmont continues to support the operations of LRPA TV through a portion of the Town’s Franchise Fees. We would be very interested in hearing from residents who view the programming on Channel 25 and would encourage you to contact the Town Administrator’s office at 603-267-8300 Ext 124 or via email at townadministrator@belmontnh.org. Your input is welcomed regarding the Town’s continued support of LRPA – TV.

Your feedback is always welcome and if my office can be of assistance, please do not hesitate to contact me at townadministrator@belmontnh.org.

Proposed Zoning Amendment:

The Belmont Planning Board will hold a public hearing commencing at 7pm on Monday, December 15, 2014, in the Belmont Corner Meeting House, 16 Sargent Street, concerning the following proposed amendment to the Belmont Zoning Ordinance. Copies of the full-text amendment are on file for public inspection at the Town Clerk's Office and Land Use Office in the Town Hall, the Belmont Library, at www.belmontnh.org and noted below.

Proposal: Exempt medically necessary handicapped ramps from setback requirements as long as the particular person has a continuing medical need to access the premises.

Amendment to: Article 5, Table 2, Zoning District Regulations, Dimensional Regulations - Insert new footnote #2 after "Minimum Structure Setbacks from Property Line (in feet)"

Amendment: "2. Exempt from setback requirements above: an open, railed ramp medically necessary to provide reasonable accommodation to allow a person or persons with a recognized physical disability to reside in or regularly use the premises, provided that the exemption shall survive only so long as the particular person has a continuing need to use the premises."

Happy & Safe Holiday Wishes
On September 29th, at the Concord City Auditorium, members of the Belmont Fire Department were recognized by the New Hampshire Committee of Merit with a Unit Citation for actions taken during a response to a lighting strike, which resulted in a mass causality incident and the transport of 23 injured boy scouts. Recognized at the event were: Deputy Sean McCarty, Lt. Fred Greene, Lt. Mike Newhall, Lt. (Ret) Bob Laraway, FF Gina Harris, FF Tom Murphy, FF Kelly Marsh, FF Mike Elkin, FF Jeff Benner, FF Randy Danforth, FF Rick Siegel, FF Jason MaCarthy, FF Paul Charnley, FF Rob Frame, FF Jeff Huckins, Sr, Paramedic Andy Frechette, EMT Laurel MacPherson, and EMT Mike Lavoie. On hand to congratulate the recipients were Governor Maggie Hassan, Rep. Annie Kuster, Commissioner John Barthelmes, Fire Marshal William Degnan, along with other dignitaries.

Retirements/Promotions/Shift Changes

After 29+ years as a full-time firefighter and 40 years as a member of the Belmont Fire Department, Lieutenant Fred Greene has informed us that he will be retiring. Lt. Greene’s last 24 hour shift will be on November 28th. As a result of his retirement, Tom Murphy is being promoted to the position of Lieutenant and will be assigned to Group 3. FF Chris Griffin will be moving from his day-time position to a shift position and will also be assigned to Group 3. With these changes in mind, we have also updated our succession plan and radio ID numbers. The plan is as follows: Deputy McCarty will remain second in command and will continue to hold the Radio ID of C2. He is followed by Lt. Newhall-C4, Lt. Bavis-C5, Lt. Brown-C6, Lt. Murphy C7. The call division officers will retain their current C numbers. We will also be making shift re-assignments effective November 30th. FF Thalheimer will continue his assignment as the Day-Time A shift Firefighter and we will be hiring to fill the Day-Time B Shift position.
Preplanning provides information for responders and the Incident Commander to make critical decisions for incident management during the initial stages of response. Through an assessment of a structure (e.g., industrial site, commercial building, multifamily residence, hospital), details such as building construction, occupancy and fire protection systems are documented. With a few more details assessed and collected, more thorough life safety planning can be acquired. For EMS preplanning identify:

— Building/Occupancy/Facility type: skilled nursing, assisted living, independent living, single-family residence with home-care family member, business with special needs employees.
— Patient types: dementia, blind, deaf, bed-bound, wheelchair required, bariatric, ventilator/special needs supported patients/residents.
— Patient quantities: total bed count, location to access exact daily count data.
— In-place evacuation equipment: wheelchair/stretcher availability, ventilator/IV pump batteries, portable oxygen cylinders.
— Shelter-in-place locations and evacuation/exit routes.
— Backup power sources, specifically for medical equipment.

Preplans should be all-hazards driven with information for specific target hazards documented in one easy-to-read document, available to all responders. Information that is variable, such as daily patient count for a medical facility, should be clearly noted as data to be acquired by first-arriving units. Preplan information may be used to refine dispatched resources, based on identified out-of-the-ordinary needs for the particular structure and/or hazard identified. Routine updates to preplans are necessary to ensure accurate information, especially after any changes to the building, occupants or building use. Reviews of the preplan information and drills of the accuracy should be conducted with responders and building management/staff to provide awareness and cooperative understanding of the needs for both the occupants and the responders.

Season’s Greetings and Happy Holidays!! We hope the cold weather finds you all warm and cozy this December.

The second issue tax bills were sent out last month and are due December 8th. We’ve already collected a million dollars of the second issue!! Way to go Belmont!!

Just as a reminder... We CANNOT accept overpayments of the December tax bill. If you overpay your bill, if time allows, your check will be returned to you for correction. If time doesn’t allow for your check to be returned, we will need to refund your credit balance by the end of the calendar year.

You can expect to be seeing the fourth issue water/sewer bills hitting mailboxes this month. They cover the months of September, October, and November, and will have a January due date.

Just a reminder ... Belmont Town Hall will be closing at 2 PM on Wednesday December 24th, and closed Christmas Day, and December 26th. We will re-open Monday December 29th at 7:30 AM.

It’s been an exciting year here at the Town Clerk/Tax Collector’s office!! We’ve had 3 Election this year: the Town meeting, the State Primary, and the State General Election. The State General Election had a great turnout of 2479 voters!! There were 157 new voters registered the day of the election, bringing the voter checklist to a total of 4683.

We went to a one check system for auto registrations which seems to be a hit with our residents!! The state fees are included in the total, and the Town transfers all the state fees we collect daily.

The Tax Collector’s office, by mid-November has collected over $8,000,000 in payments for 2014 1st and 2nd issue, plus the collection of $831,000 in back taxes this year. We have collected a little over $550,000 in water/sewer payments so far this year as well.

The Town Clerk office has processed over a $1,000,000 in car registrations which is around 28,000 registrations and over $12,000 in dog licenses, given Belmont’s 1432 dogs in town. We have processed over 200 vital records to the tune of $3895. And we’ve processed approximately 660 EB2Gov transactions (from the Belmont web page) to date.

It has definitely been a busy year and we look forward to what next year has in store for us...

We wish our fellow residents a very Merry Christmas and a prosperous New Year!!

T.A.G. Team Meetings
Tuesdays at 4pm

It’s like Library Club for teenagers! We help plan fun events and give teens a chance to get involved with the library. The 3rd Tuesday of the month is dedicated to games! Favorite games so far are Apples to Apples and Monopoly. Feel free to join us! T.A.G. Team is open to all Belmont teens between the ages of 12 and 18.

Craft Night
Thursdays at 6 p.m.

We’ve been doing great things at craft night! Many weeks we have a crafter teach us something special – last month we made beaded ornaments! Learn a new craft and share a fun hour with friends! Some craft materials will be available for you to use, but feel free to bring your own as well. Some supplies we have available include collage materials, quilling supplies, watercolors, yarn, and string for braided bracelets. No need to sign up, just drop by.

Tell Us What You Think!

Would you like to join us for our weekly Game Day/Night or our monthly Book Group, but Tuesday nights just don’t work for you? Sign up at the library or give us a call to let us know what day and time you would prefer.

Happy Holidays from all of us at the Belmont Public Library!
Jeff Marden was a native son, born and raised in Belmont. Growing up nearby, he and his brothers roamed the fields and woods that are now Belmont’s town forest. In his early 20’s, Jeff was paralyzed in a diving accident and confined to a wheelchair. While such an accident might discourage and cause bitterness in many, Jeff instead became an activist and a role model for civic involvement. He served on the Belmont Planning Board, the Master Plan, Capital Improvements Committee, Shaker Regional School District committees, and the Lakes Region Planning Commission. He chaired the State Architectural Barrier-free Design Committee and was an active member of the State Brain and Spinal Cord Injury Advisory Council. He had a wicked sense of humor, too.

Jeff had an abiding love of the out of doors and hunting. He attended many Conservation Commission meetings and was a vocal proponent of balancing development with the preservation of undeveloped areas. A defender of wildlife, he worked at preserving wildlife habitat and corridors in Belmont. And he cared deeply about the Town Forest.

Shortly after his death in 2007, the Conservation Commission met with Selectmen, the public and the Marden family. It was jointly determined that the Town Forest would be named after Jeff as a lasting memorial.
