January 2017

Our Community Newsletter

The Budget Committee’s will hold its first Public Hearing on the 2017 proposed budget on Tuesday, January 10, 2017 beginning at 6:30 p.m. at the Corner Meeting House. The 2017 Deliberative Session will be held on Saturday, February 4, 2017 beginning at 10:00 a.m. at the Belmont High School. Please mark your calendars and come out and participate in the meeting. Our Budget Committee meetings in addition to our Selectmen’s meetings will be live streamed this year (http://www.livestream.com/belmontnh) and you will be able to watch them on LRPA Channel 25.

This year’s meeting warrant will contain 3 warrant articles seeking your input on the future of the Belmont Mill. Each of the articles will be discussed during the Deliberative Session and unless amended at that time, will appear on the Official Ballot to be voted on in March.

1. Shall the Town vote to support the future renovation of the Belmont Mill for use as Town Offices? No funding is being requested for this purpose under this article.
2. Shall the Town vote to support the future demolition of the Belmont Mill? No funding is being requested for this purpose under this article.
3. Shall the Town vote to support the future sale of the Belmont Mill?

Just a reminder that there is no overnight parking along our roadways from November 15th through April 30th; your cooperation is greatly appreciated. While last winter was “unique”, we expect this year we will have

The Town will be conducting a partial update of assessed values in 2017; the update will primarily focus on our mobile home parks and a full revaluation will take place in 2019. Further information will be included in future newsletters, on the town’s website and on the Selectmen’s Facebook page when available.

IT is the LAW! (RSA 466:31 II (c)

Our message to all Dog Owners is to remind you of the importance of picking up your dog’s waste from property not your own. The town installed at three different locations, dog waste stations where you can obtain a plastic bag to pick up the waste and deposit it in the numerous garbage cans located in the Village.

Just a reminder that the Town of Belmont is an active member of Lakes Region Public Access Television which can be seen locally on Metrocast Channels 24, 25, and 26. If you are a camera buff and you have an interest in producing a show to be shown on LRPA, please contact the station at 528-3070 to discuss your idea. LRPA has made significant strides to improve programming this past year and its presence in the Lakes Region; we urge you to check out their new website at http://lrpa.org.

Town Hall will be closed Monday, January 2, 2017 in observance of New Year’s and Monday, January 16, 2017 in observance of Martin Luther King Jr. Day.

National Houseplant Appreciation Day, January 10th

Applications
Zoning Board of Adjustment

• **John Dahlborg**: Approval to add useable space within a preexisting nonconforming structure by adding pitched roof and dormer on property located at 84 Gilmanton Road.

Other Land Use News

Zoning Amendments: On December 19th the Planning Board held the first of two public hearings on proposed amendments to the zoning ordinance to consider them for placement before the voters on the March 14th Town Meeting Ballot.

A second Public Hearing will be held on Wednesday, January 11, 2017, at 6pm at the Belmont Corner Meeting House, 16 Sargent Street. Handouts explaining the proposals will be available on line and at the Town Hall no later than December 30th.

• **Commercial Gateway Zone**: Public comment from owners within the proposed zone was that they felt the proposed zone would not promote commercial development due to the limited number of permitted uses, the lack of existing municipal water and sewer and the overall economy. Based on this public input, the Board voted to remove this proposal from consideration for the 2017 town meeting ballot.

• **Frontage/Access**: This is an amendment to allow alternate driveway access to a lot where conditions warrant. Under the current Ordinance, a lot must be accessed over that lot’s legal frontage. The amendment would allow application for a conditional use permit to access from another location under certain circumstances (e.g. environmental impacts, traffic safety). No changes were made by the Board for the second public hearing.

• **Accessory Dwelling Units**: This is an amendment of the existing Accessory Dwelling Unit (Apartment) Ordinance to comply with recent changes in the State Statute. Belmont’s existing Ordinance is very nearly compliant with the new law, but changes are proposed related to the maximum apartment size, the method by which the apartment is attached to the primary dwelling unit and requiring an interior door between the primary and accessory units. No changes were made by the Board for the second public hearing.

• **Sign Ordinance**: This is an amendment of the existing Sign Ordinance to comply with the US Supreme Court decision, Reed v. Town of Gilbert. Compliance requires the Town to regulate signs in a content-neutral manner to avoid restricting free speech. Changes made to the proposed amendment for the second public hearing include, but are not limited to, adding a severability clause, exempting street number and warning signs, and indicating that complex signs are related to commercial complexes.

• **Rezone two lots**: This is an amendment requested by the property owner to rezone all of tax lot 236/015 and part of tax lot 123/027 located on Dearborn Street from Industrial to Rural. No changes were made by the Board for the second public hearing.

There is no opportunity for the Board to make changes based on the second public hearing. The only action the Board can take at the second public hearing is to decide which proposals, as noticed, will be put before the voters in March.

Visit [www.belmontnh.org/agendasminutes.asp](http://www.belmontnh.org/agendasminutes.asp) to view agendas and minutes for all meetings.

Belmont Library receives LCHIP Award

Belmont Public Library is receiving a $7,000 award in support of its efforts to preserve its historic red brick building. The building was donated to the town of Belmont in 1928 by Walter and George Duffy, and was listed on the National Register of Historic Places in 1985. In its seventy-nine years of service, the library has been a beloved landmark and community center. In 2015, locals visited the Belmont Library over 10,500 times and checked out nearly 19,000 books, magazines, DVDs, and digital items.

The Rosie Project
Graeme Simsion
Book Group
January 20, 2017 10:30am
The art of love is never a science: Meet Don Tillman, a brilliant yet socially inept professor of genetics, who’s decided it’s time he found a wife. In the orderly, evidence-based manner with which Don approaches all things, he designs the Wife Project to find his perfect partner: a sixteen-page, scientifically valid survey to filter out the drinkers, the smokers, the late arrivers.

Rosie Jarman possesses all these qualities. Don easily disqualifies her as a candidate for the Wife Project (even if she is “quite intelligent for a barmaid”). But Don is intrigued by Rosie’s own quest to identify her biological father. When an unlikely relationship develops as they collaborate on The Father Project, Don is forced to confront the spontaneous whirlwind that is Rosie—and the realization that, despite your best scientific efforts, you don’t find love, it finds you.

Yoga Basics for Every Body

January 9-February 13, 2017
Monday Nights ~ 6 weeks
Session #1: 5:00PM-6:15PM
Session #2: 6:30 PM-7:45 PM
Parks & Recreation, 14 Mill Street

$50 per person, each session
$10 per person drop in fee, as space allows

Strengthen, stretch and flow in this six week program. This class series will introduce you to the benefits of yoga and give you tools to use it daily. Learn basic postures, techniques for breathing, reducing stress and increasing focus and some philosophies of yoga - practice for body and mind. These classes are designed for those who have never set foot on a yoga mat, beginners and those who have been away from yoga for a while and want a refresher but all levels are welcome. Each class offers Asana (poses), balance work, breath work (pranayama) and relaxation. The class is co-ed and appropriate for patrons 12 years and older, youth must be accompanied by an adult. Participants should bring a yoga mat. Yoga blocks and other equipment will be provided.

Advance registration is required for a confirmed space. Space is limited, drop in is based on availability at each class and is not guaranteed.

Registration forms are available on our website:
www.belmontnh.org

Boston Flower Show
March 22, 2017 - Wednesday
$50 Per Person

Our Boston Flower Show Trip includes luxury motor coach transportation to the Seaport World Trade Center and admission to the show. We will depart from the Belmont Park and Ride on Route 106 in Belmont at 8:30AM. Our motor coach transportation has a restroom, and DVD player with ample storage for your purchases. We will arrive at the flower show at approximately 10:00AM and will be departing at 2:00PM. We will stop for an early dinner at Cracker Barrel restaurant in Londonderry on the way home. We estimate arriving in Belmont at 5:15PM. We will be joined on this trip by the patrons of Moultonborough Recreation.

IMPORTANT: The makeup date for this trip is Thursday, March 23rd.

We expect this trip will sell out, to secure a reservation please complete the registration form which can be found on our website and send it in with your payment. No refund will be granted for cancelled reservations unless the seats can be resold.

Registration Forms: www.belmontnh.org or call (603) 267-1865

Happy New Year fellow residents of Belmont!! We hope all the resolutions that are set come to fruition!

As of the first of the year, we can now renew your dog’s licenses. The renewals are due no later than April 30th, so if you find yourself at town hall renewing a registration or making a tax, water or sewer payment why not get the dog’s license renewed at the same time? As long as your dog’s rabies vaccination record it up to date, you can also renew your dog’s license on our town website, www.belmontnh.org and we will mail your new tags to you.

We can also register those new boats you got from the Big Guy on Christmas. The boat registrations run the calendar year unlike car registrations that are renewable in your birthday or Lease Company’s month. So feel free to bring those in too! Or you can also register your boat at our boat agent Winnisquam Marine. Unfortunately, we are not able to renew boat registrations online.

2016 4th issue Water/Sewer bills are due January 9, 2017. This bill covers the months of September-November 2016. You can mail in your payment stub and check, stop by our office with your payment, and also make a payment on our town’s website, www.belmontnh.org. You can use your checking account to make a payment with your routing number and account number, or you can use your credit card. Please remember we cannot accept Visa cards for utility payments, and there is an additional 2.79% convenience fee, levied by the card company, that is added to your total.

At the end of the month we are required to send out delinquent notices for any amounts unpaid from 2016. We are required by law to send these statements. These statements are meant to make you aware of any payments you have missed in the previous year so you have a chance to clean up your account before the lien process occurs in the spring. If you receive a notice and have any questions, please call our office at (603) 267-8300 Ext. 2.

January 25, 2017 marks the beginning of the filing period for town offices. The filing period runs through February 3, 2017. Below is a list of vacancies and their terms:

**NOTICE TO BELMONT RESIDENTS**

Declaration of Candidacy for the March 2017 election will be accepted at the Office of the Town Clerk weekdays between the hours of 7:30AM to 4:00PM from Wednesday January 25, 2017 to Friday February 3, 2017. **ONLY DECLARATIONS** will be accepted between the hours of 4:00 to 5:00PM on Friday February 3, 2017.

Red Pine Scale

Red Pine (*Pinus resinosa*) in the Jeff Marden Town Forest has been found to be infested with the red pine scale (*Matsucoccus resinoseae*). As chemical and biological control of the pest has proven ineffective, mechanical harvesting – removing the entire infested stand of trees is the only effective means of control. Red pine scale is an insect that was first reported in Connecticut in 1946, and is believed to have been introduced to the U.S. on exotic pines planted at the New York World’s Fair in 1939. The insect has been reported throughout southern New England, New York, New Jersey and eastern Pennsylvania. After its first detection in NH in Bear Brook State Park, it has been slowly spreading in the state. Since first discovered, the entire stand of red pine has been harvested in a sanitation timber harvest. A sanitation harvest is a harvest of trees for the purpose of removing insects or diseases from a stand of trees. Sanitation harvesting is used to prevent the diseases or pests from spreading to other nearby trees.

- Red Pine Scale is a flightless insect that is spread by birds, squirrels and the wind.
- Occurs in the tree tops on small branches and limbs.
- Insects are not visible to the naked eye.
- Females secrete a white, fuzzy protective covering called “flocculent” which helps insulate the insect over the winter; it is the most visible sign of the insect infestation.
- Scale insects pierce the phloem of the bark and suck the moisture from the trees stressing them as if there was a drought.
- Once stressed, the trees are susceptible to secondary pests such as the Turpentine Beetle that bore into the main stem causing additional stress and introduce other pathogens.

The Conservation Commission now plans a sanitation timber harvest in the JMTF to salvage the value of the red pine before it becomes worthless.

Watch the Town’s website for notice of when the timber harvest will occur.

Belmont Parks & Recreation

VS

March 15, 2017, Wednesday - 7:30PM
$137 Loge - Lower Level Seats
$92 Balcony - Upper Level Seats

Join us to watch Isaiah Thomas, Al Horford and Jaylen Brown of the Boston Celtics take on Karl-Anthony Towns and Andrew Wiggins of the Minnesota Timberwolves. We will depart from the Belmont Park & Rideshare (Route 106) at 5:15PM. Sit back and relax in our fully equipped motor coach or watch a movie. Our seats are in loge section #19 and balcony section #329. We will depart Boston following the game and anticipate a return time of approximately 11:45PM.

We will be travelling with the patrons of Gilford Parks & Recreation; who will depart from Gilford High School prior to the stop in Belmont. Seats are limited; a registration form must be completed and accompanied by payment. Tickets are non-refundable.

We require a minimum # of participants for this trip and will advise 45 days in advance should we need to cancel.
