We are very excited to announce that Sarah Weeks was named the 2018 Town of Belmont Employee of the Year. Sarah is the Administrative Assistant in the Fire Department. We would like to congratulate Sarah on the great job she does on behalf of the Town of Belmont!

Property Revaluation

Just a reminder that KRT Appraisals staff is in the community conducting a measure and list of residential and commercial property. Their staff have identification badges and carry letters from the Town explaining the Measure and List project. Any questions regarding the process can be directed to Alicia Jipson, Assistant Town Administrator/Assessing Administrator at 267-8300 Ext. 118. The Revaluation is scheduled to be complete in 2019. New property values will be established and notification will be sent to every property owner regarding their new values.

Upcoming

Fall tax bills should be issued by mid-October with an early December due date. Based on current revenue projections and an increase in assessed value from the 2017-18 construction season, we anticipate that the Town’s portion of the tax rate will see a slight decrease. More information on the tax rate will be posted on the Town’s website as soon as it becomes available.

The 2019 Town of Belmont budget is under construction, detailed worksheets have been distributed to all departments and the Board of Selectmen will begin their review of the submittals in early October. We anticipate the Budget Committee will begin working on the budget in early November. Meetings will be live on https://livestream.com/belmontnh

Following is a link to a video developed by our recycling vendor to help us recycle better. Better recycling leads to lower costs for trash disposal as whatever we can remove from the trash stream reduces the tonnage we pay for. Your help is needed! www.bit.ly/recyclebetter

Temporary Job Opening

The Town of Belmont is seeking a qualified individual for the position of Temporary Highway Department Truck Driver/Laborer reporting to the Public Works Director. The successful candidate will perform a variety of routine skilled and unskilled manual laboring duties. The position requires a NH CDL “B” license with airbrake endorsement. The individual chosen for this position must possess a willingness to work with others including the general public. High School Diploma or equivalent is required; experience with the operation of heavy trucks necessary. Driver’s Lic-
ense and Criminal record check required, mandatory participation in the department’s Drug/Alcohol Screening Program as required by federal law. This is a temporary full-time position beginning December 1, 2018 – April 1, 2018, with no benefits; pay will be commensurate with experience.

The Town of Belmont is an Equal Opportunity Employer.

Just a reminder that the Town of Belmont is an active member of Lakes Region Public Access Television which can be seen locally on Metrocast Channels 24, 25, and 26. If you are a camera buff and you have an interest in producing a show to be shown on LRPA, please contact the station at 528-3070 to discuss your idea. LRPA has made significant strides to improve programming this past year and its presence in the Lakes Region; we urge you to check out their website at http://lrpa.org.

Selectmen’s Meeting Schedule

Our meeting agendas are posted on the Town’s website at www.belmontnh.org, and on Facebook. We encourage you to attend our meetings or watch us live on https://livestream.com/belmontnh.

We would like to urge you to encourage your friends and family to sign up for the Town’s monthly newsletter by sending your contact information to town-hall@belmontnh.org. Your help in spreading the word about our newsletter would be greatly appreciated.

IT is the LAW! (RSA 466:31 II ©)

Our message to all Dog Owners is to remind you of the importance of picking up your dog’s waste from property not your own. The town installed at three different locations, dog waste stations where you can obtain a plastic bag to pick up the waste and deposit it in the numerous garbage cans located in the Village.

What’s Flushable or Not

We continue to stress the importance of the “Not everything is flushable”, please check out the “Do Not Flush!” list to protect your sewer and septic system. A “Flushable” label does not mean it is SAFE for your septic system or the Town’s sewer. Please read the brochure we have included on the Town’s website at www.belmontnh.org. We need your help to insure our sewers keep flowing.
Thank you to all our employees for their hard work and continued dedication to serve the needs of Belmont and its people—Board of Selectmen
It’s here, the spookiest month of the year…. Welcome October! It is the time of year for cozy sweaters, apple picking and bonfires.

We at the Clerk’s office hope that this month finds you all well and happy!

We had a less than stellar turnout for the State Primary Election last month with only 15 percent of registered voters coming out and voting, hopefully we will have a better turn out at the State General Election being help November 6, 2018. Voting will take place at Belmont High School and the polls will be open from 7AM-7PM. If you find yourself in need of an absentee ballot there are several ways you can request one. You can stop by the office and fill out a request form, you can mail in a request or you can email a request. All requests require your signature and the address you wish your ballot to be mailed to. If you have any questions please give us a call, we are happy to help!

Water/sewer bills are out and due by Wednesday, October 10, 2018. You can drop your payment off at our office, mail a check in with your payment slip, or pay on our town website, www.belmontnh.org. Please keep in mind that if you use our website for payment, there is a convenience fee added to your transaction. If you use a debit/credit card to pay your bill, there will be an additional 2.79% added to your total which is levied by the company that gives us the ability to accept cards for payment. VISA cards cannot be accepted for payment of water/sewer bills either online or over the counter.

The Department of Revenue Administration will be setting the tax rate for property taxes this month. We should be sending out the second issue tax bills around the second or third week of this month. The bills will be due in December.

If you are planning an October wedding and are in need of a marriage license, we can help. The cost of the license is $50.00 and it is valid for 90 days. Both parties need to be present at the time of application with valid ID and any certified, sealed paperwork for a previous marriage. We ask that you come in no later than 3:30PM to start the application as it takes some time to complete. If our office hours don’t work for you, please keep in mind that as long as you are getting married in New Hampshire, you may go to any town of city hall in the state to apply for a marriage license.

We are pleased to announce how very proud we are of our Deputy Town Clerk/Tax Collector, Jennifer Cashman. In August Jennifer completed the three-year commitment to become a NHTCA CERTIFIED TAX COLLECTOR, next year Jennifer will go on to complete the fourth year Town Clerk Certification program. Great Job Jen!

PLEASE NOTE: Town Hall will be closed on October 8th in celebration of Columbus Day.

Keep warm and have a happy and fun Halloween!
Halloween is a night of fun and fright, but it does require extra caution when it comes to keeping your little monsters safe. According to Safe Kids Worldwide, “on average, twice as many child pedestrians are killed while walking on Halloween compared to any other day of the year, and more than 70 percent of accidents occur away from an intersection or crosswalk.” Follow these Halloween safety tips to help avoid common accidents and dangers.

1. **Provide Adult Supervision**

   Trick or treat is safer – not to mention more fun – in groups, and adult supervision is essential. So get together with other adults and make an evening of it. Bring cellphones for quick pictures and emergencies, but leave them in your pockets to avoid getting distracted.

2. **Stay on the Sidewalks**

   The thrill of the holiday often factors into accidents as excited kids rush from door to door. Keep children on the sidewalks, and shepherd them carefully when they need to cross the road. In areas without sidewalks, walk on the far edge of the road, facing traffic.
3. Carefully Check Candy

Check candy for choking hazards like gum and hard candies. Throw away any candy that is not sealed with a wrapper and avoid homemade treats received from strangers.

Costume Safety Tips

4. Choose Bright, Visible Costumes

When selecting a costume, opt for the bright-colored outfits and add a touch of reflective tape to the material. Stick some reflective tape on their trick-or-treat bags as well so they can be easily spotted by motorists. Lastly, don’t forget to make sure they’re equipped with a flashlight or glow stick – must-have accessories for any costume.

5. Make Sure Costumes are Well-fitted and Safe

Being visible isn’t the only safety consideration for a costume. The right fit is just as important. Here’s some advice on keeping your child’s ensemble safe and secure:

- Prevent accidental tripping or entanglement by making sure costumes aren’t too big or long.
- Avoid masks that block vision, but if your child wears one – it should have large eye, nose and mouth openings. You can also opt for makeup or face paint as an alternative.
- Costumes, wigs and accessories should contain a label indicating they are flame resistant.
- Make sure accessories such as swords, canes, or sticks are not sharp or too long.

6. Makeup Safety

If makeup is a part of your child’s Halloween costume plans, make sure it is non-toxic and test it on a small area first. Before your child goes to bed, make sure to remove all makeup.

Home Safety Tips

7. Jack-o-lantern Safety

Young children can paint or color their pumpkins instead of carving. Or have them draw a face with markers and an adult can do the carving. Use colorful glow sticks inside your Jack-o-lanterns instead of candles to prevent burns.

8. Home Decoration Safety

If you’re turning your home into a haunted house, keep safety in mind: make sure steps, sidewalks, porches and paths are well-lit and free of decorations and holiday props. Keep decorations away from fireplaces and candles.
9. Precaution Against Pranks and Vandalism

Unfortunately, vandalism often increases during Halloween. That’s why taking these precautions is a good idea:

- If you’re going away during Halloween, make it seem like you’re still home by turning down the volume of your answering machine and phone, covering your garage windows, and leaving your curtains in normal positions with valuables out of sight.
- Install outdoor lighting (activated by a photocell or movement) to illuminate the area around your home during Halloween.
- Consider purchasing a security system that directly alerts police to intruders.
- Trim shrubs and large trees before Halloween so trespassers have fewer hiding spots.
- Make sure your homeowners insurance policy is up-to-date.

Car and Driving Safety Tips

10. Use Extra Caution While Driving

Drivers need to take particular care on this chaotic night. Keep your car parked if you can, but if you have to drive through a neighborhood, take it much slower than normal. Watch for kids who may dart between cars and into the road without looking. Read our Halloween Driving Safety Guide for more useful tips.

- Consider a car alarm.
BFD Says Goodbye to Firefighter Harry

September 30, 2018 marks the day that Firefighter Jon Harry says goodbye to the Belmont Fire Department and starts a new chapter in his firefighter career. Firefighter Harry started with our department in June of 2016 as a daytime firefighter, working four 12 hour days on and having four days off. In December of 2017 Firefighter Harry was moved to shift, and has been a part of Shift 4 ever since. During that time, he became a part of the two man team running the student live-in program. Although Belmont Fire will miss Firefighter Harry and is saddened to say goodbye, we are so happy for this opportunity for him. We wish this goofball nothing but the best. His new department is very lucky to have him!
BFD Says Goodbye to Chief Erickson

The Belmont Fire Department is not only saying goodbye to Firefighter Harry this month. On September 28th, we are also saying goodbye to Chief Kenneth Erickson, as he retires after approximately 38 years in the fire service, 2 1/2 of those years being with the Belmont Fire Department. In March of 2016, The City of Laconia and the Town of Belmont signed an Intermunicipal Agreement to share the administrative services of the Fire Chief. At that time, Chief Erickson was appointed as the Fire Chief for the Town of Belmont, and has held that position ever since. We hope he sits back and enjoys every little bit of retirement, and can hopefully get in some family camping with his wife and pups. After that many years in the fire service, a nice vacation is well deserved. We congratulate him on his many dedicated years of service and wish him the happiest retirement!
BFD Welcomes Our Live In Students

September doesn’t just mark the start of school for the Belmont School District. It also marks the start of the year for our Live-In program, here, at the station. A familiar face, Student Nathan Manville, returned for his second year as a live-in student with our department, and a new face, James Hayes, joined us for his first year. Both are attending Lakes Region Community College for their Fire Science degree.

The duty crews wasted no time getting our students out and training. We are very excited to have them as our live-in students, and look forward to watching them learn and grow in this field.
Public Works Department News

We have a new member that recently joined our team. We would like to welcome Tim Ellis as our new Water/Sewer Technician. Tim will also be assisting the Highway department with winter maintenance activities. Tim lives in Belmont along with his wife Alison and their dog Oscar. He is a current member of the Belmont Rotary Club and truly cares about our community. He will be a great addition!

In the coming weeks and months, the highway departments focus will be preparing for the winter maintenance of the roadways in town. Plows are being repaired, sanders are being fine tuned and the trucks are being readied. Roadside ditching and the grading of the gravel roads for winter will also be taking place in the next few weeks.

Equipment Operator/ Foreman John Bickford putting our new backhoe to good use.

New driveway regulations have been adopted by the Planning Department. They can be reviewed on the Towns website. Driveway Permits can be obtained at the town offices or online at www.belmontnh.org

Keeping your driveway culvert clean and free of debris is an essential part of homeowner maintenance. You as the homeowner are
Again! Thank you to the Belknap County Department of Corrections residents for their continued support. They have been providing us with workers helping out with various tasks around town and at the garage. We appreciate it!

The State Department of Correction has also recently been helping out with maintenance on the WOW trail. A big Thank You to them as well!

A friendly reminder, if you need winter sand for your driveway we have a three 5 gallon pail limit. Sand can be picked up during normal business hours at 149 Hurricane Rd. **Don’t forget winter is right around the corner! BE PREPARED**
Application Review Committee

- **Jon & Tracey Rich**: Review for one-year extension of Boundary Line Adjustment Approval to transfer 10ac from 215-007-000-000 to 212-067-003-000. Properties located in the Rural Zone, 333 and 389 Province Road.

- **Brian Crockett, LLS for Philip & Jeanne Matzke**: Review for subdivision to create one three-acre lot from existing thirty-six-acre lot. Property located in the Rural Zone, 229 Jamestown Road, Tax Lot 232-006-000-000.

- **603 Storage**: Review for Site Plan to construct 15,350sf of self-storage (4 buildings) w/paved ways and underground stormwater control. Property located in the Commercial Zone, Gilmanton Road, Tax Lot 122-056-001-000.

Planning Board

- **CIP**: The Planning Board held a public hearing and adopted the revised Capital Improvements Plan Funding Schedule for years 2019-2024. [http://www.belmontnh.org/datacip.asp](http://www.belmontnh.org/datacip.asp)

- **Richard W. Dubois**: Site plan approval and conditional use permit to construct one 9,900sf five-unit structure with associated lot development for lease to individual commercial/industrial tenants for uses allowed in the Industrial Zone. Property located on Depot Street, Tax Lot 235-032-000-000 in the “I” Zone.

- **Bartlett 2014 Family Trust**: Boundary Line Adjustment approval to transfer 1,990sf from tax lot 227-009-000-000 to tax lot 227-010-000-000. Property located at Rogers Road and 124 Rogers Road, in the “R” Zone.

- **Parent Sand and Gravel, LLC**: Earth Excavation, successful 5-year compliance hearing. Property located in the Rural and Village Zones, 98 Wareing Road, Tax Lots 242-004-000-000, 242-005-000-000, 242-008-000-000, 242-010-000-000 and 245-017-000-000.

Does your street-side mailbox comply with USPS standards?

USPS Mail delivery to your home or business is such a convenient service. But the US Post Office and the Town of Belmont have recently joined efforts to make you aware that your street-side mail box is required to meet certain minimum standards which are necessary for safe delivery of your mail as well as the safety of your mailbox! Please see the required installation standards for your street-side mailbox by visiting [https://www.usps.com/manage/mailboxes.htm](https://www.usps.com/manage/mailboxes.htm). If you have questions about your particular installation, please call the Belmont Post Office at 267-6571. Help the Post Office safely deliver your mail and the Belmont Public Works Department safely maintain the roads.

For additional Land Use Information:
Visit [www.belmontnh.org/departmentlanduse.asp](http://www.belmontnh.org/departmentlanduse.asp)

Facility Space and Feasibility Study Underway

Work on the Belmont Town Facility Space and Feasibility Study is underway. The contractor, Lavallee/Brensinger Architects provided space program questionnaires to be completed by staff for the Town Hall, Recreation Department and Police Department. These questionnaires will identify current staffing and space needs and project needs in 10 and 20 years. These forms will be submitted to the contractor by October 3rd. A Draft Space Program will be prepared by Lavallee/Brensinger for discussion with the Belmont Facility Strategy Committee in mid-October. The goal is to finalize the space need projections in late October.

At the same time as space needs are being determined, Lavallee/Brensinger Architects and its sub-contractors will begin a feasibility study focused primarily on reviewing the structural, electrical and building systems at the Police Station and Bank Buildings and using existing available studies for the Belmont Mill, Town Hall and the Corner Meeting House.

There will be opportunities for the community to follow the progress of the study and offer feedback and suggestions related to space needs and options for use of the town buildings. All meetings will be open to the public with an opportunity to ask questions and offer comment. The Contractor will prepare a Space Study and do an preliminary assessment of Town buildings. This will be followed by Preliminary Options for use of Town buildings. When recommended options are refined with projected costs are available, the Committee plans to hold a Charette, a public meeting designed to draw input from the community on options to meet future Town facility needs.

For more information on the Belmont Town Facility Strategy, contact dhepp3@gmail.com. Committee members include: Tom Garfield, Donna Hepp, Carmen Lorentz, and Pret Tuthill.
Try Out the Village Spur Rail Trail

In 2011, Dick and Betty Persons made a gift to the Town of the old Village Spur Rail property with the understanding that a trail would be developed on it. After years of planning, grant applications and construction, the trail is complete from the Village to South Road.

The development of the Village Spur Rail Trail was truly a community project. From the acquisition of the “Dover Bridge”, to grant writing, to engineering and surveying, and finally to construction countless volunteer hours were graciously given to complete the project.

The trail is about 2 miles from the Slippery Rock Bridge to South Road. There’s an additional tenth of a mile beyond South Road to the Tioga River. Another bridge will be needed to continue the trail to Depot Street near the Coca-Cola facility. The trail is flat and its surface is well-packed gravel and grass. There are some lovely vistas of the Tioga River as it wends its way through fields, wetlands and floodplain forest. Part of the trail, from the first accessible gate at the Corliss Farm (1.6 miles from the trail head) to South Road is an active grazing pasture for cows during the summer and fall months. Included here are tips on how to act around cows.

Special thanks go to Christine Fogg for her grant writing skill, Woody Fogg, Ken Knowlton and Ron Mitchell for their Surveying, engineering and construction skills, Mark Roberts for all of the work that was entailed in disassembling, transporting and setting the two bridges, and to the Rotary Club for clean-up, brush cutting and painting. We want to recognize the Corliss Farm for working closely with us on coming to how the trail would work with their farm activities.

**HOW TO ACT AROUND CATTLE**

Do
- Keep dogs close and under complete control.
- Continue to move past cattle rather than staying in their presence.
- Step slowly into their flight zone only if necessary to move them.
- Move slowly around cattle and use a normal speaking voice.
- If an animal appears to be uncomfortable or agitated, step back.
- Approach from the front or side; avoid the blind spot behind them.
- If you see cows that are clearly injured, notify town personnel so they can contact the livestock owner. Do not approach an injured animal.
- Don’t approach cattle from behind.
- Don’t get between a cow and her calf.
- Don’t make quick movements, or flap your arms.
- Don’t shout or make loud noises.
- Don’t “rescue” or touch calves that seem separated from their mother.
- Don’t feed cattle.

**Slippery Rock Bridge**

**Second Bridge Near Great Brook Village**

A program for children of all ages, featuring books, movement, music, science activities, and crafts to encourage early literacy skills.

**The Belmont Public Library was established in 1893. The library moved into its current home on February 4, 1928. We will be celebrating this special anniversary throughout 2018.**
My name is Rockwall Hilton and I am a Legacy Registered Dexter cow. We live on South Road and I am the first girl to be born on the farm. This picture is with my Mom Ginger and my Dad Rubble. We are spoiled cows who spend our day playing in the pastures and visiting with the many people that stop by to see us.

Submitted by Recardo & Alicia Segalini - South Road Belmont

Hi—We are Moxie (German Shepard) and Winnie (Wheaten Terrier). We love to play ball and are always looking for some to throw it to us.

Submitted by Venessa Stephen

I’m a seven year old Labrador, named Cuper, (pronounced Cooper, after the hometown of Apple in Cupertino, CA. I was adopted around the passing of Steve Jobs).

I love sticks, water and running alongside the tractor as we work to maintain the property.

Submitted by Clint & Elise

Would you like to see your pet here? Just send a picture to Kathy at townhall@belmontnh.org along with their name and yours, as well as a brief description of your pet and their favorite pastime. They will be posted in the order received.
Belmont Parks & Recreation

Preschool Playgroup
October 4-December 13, 2018
Thursdays
10:30AM—11:30AM
Sargent Park & Recreation Function Room
Residents—FREE
Non Residents—$1 per day

Preschool children ages 2-5 years old will enjoy a fun filled hour playing games and interacting with other children. Parents are encouraged to join in the fun. Activities will be organized by our program supervisor Erin Miller.

Playgroup will meet at Sargent Park on October 4 and 11, weather permitting. In case of inclement weather the group will be held at the recreation function room. Children should bring a parent or guardian, sneakers and something to drink. Our program is canceled if Belmont schools have a delayed opening or cancel for the day.

This program is free to residents of Belmont with proof of residency required. Non residents can participate as space allows. Advanced registration is required and space is limited with preference given to Belmont residents.

No Playgroup on Thursday, November 22, 2018.

Holiday Theatre and Shopping Trip
December 8, 2018 - Saturday

Dr. Seuss' How the Grinch Stole Christmas! The Musical
Cirque Dreams Holidaze
Boston Pops Holiday Concert

Orchestra Right Middle $129
Orchestra Center Rear $102
Balcony Rear $74
Orchestra $116
Balcony $95
First Balcony $126
Second Balcony $90
Shopping & Sightseeing Only $38

Our trip to Boston gives you the choice of three fabulous holiday performances along with time for shopping, sightseeing and dining. We also offer a shopping and sightseeing only option if you prefer to spend the day on your own searching for that perfect gift or enjoying all the beautiful holiday decorations. We will travel to Boston via a luxury motor coach with restroom facilities. This is an active trip and does require walking from central drop off points to the various venues.

♦ Dr. Seuss' How The Grinch Stole Christmas! The Musical features the hit songs "You're A Mean One Mr. Grinch" and "Welcome, Christmas" (written by Albert Hague and Dr. Seuss) from the original animated series. Max the Dog narrates as the mean and scheming Grinch, whose heart is "two sizes too small," decides to steal Christmas away from the Holiday loving Whos.

♦ Cirque Dreams Holidaze, this incomparable phenomenon features over 300 imaginative costumes, 20 world-class astonishing acts, the finest singers, original music and seasonal favorites celebrating the most wonderful time of the year from Thanksgiving to Chanukah, Christmas and New Year's. Audiences of all ages will be mesmerized for 2 hours and marvel at soaring acrobatics, gravity defying feats and extravagant theatrical production numbers the Boston Globe hails "Entrancing … Las Vegas meets family entertainment."

♦ Boston Pops Holiday Concert Join conductor Keith Lockhart and the Boston Pops in a performance filled with holiday music favorites, the traditional Pops sing-along, and a visit from Santa Claus himself! Started in 1973 by Boston Pops Conductor Arthur Fiedler, these concerts take place in the magical atmosphere of world-famous Symphony Hall that is beautifully decorated to evoke all the magic and charm of the season.

We will depart the Belmont Park and Ride on route 106 at 8:15AM, our first stop will be the Prudential Center and within walking distance of Copley Place and Newbury Street for shopping or lunch on your own. Our next stop is Boyston Street for shopping at Downtown Crossing. Patrons with tickets to How the Grinch Stole Christmas will proceed directly to the Wang Theatre for the 1:00PM show with time to shop after the performance. Cirque Dreams Holidaze patrons will have time to shop prior to their 3:00PM show at the Shubert Theatre. Our patrons with tickets to the Boston Pops Holiday Concert will depart from Boyston Street at 2:00PM to arrive at Symphony Hall in time for the 3:00PM concert. Our motor coach will pick up at Boyston Street and Symphony Hall after the performances and travel to our final stop Faneuil Hall Marketplace for shopping and dinner on your own. You will be within walking distance of all the fabulous North End Restaurants as well as the ones located at Faneuil Hall. We highly recommend you make dinner reservations for the restaurant of your choice. Reservations should be made for 6:15PM or later which allows for walking time to the restaurant. After a leisurely dinner or time spent admiring the holiday lights and shops at Faneuil Hall Marketplace we will depart at 8:00PM for Belmont arriving approximately 9:30PM.

Space is limited, full payment and a registration form are required at the time of booking. Registration forms are located on our website or by contacting the recreation office.

Non-refundable unless your seat can be resold.

Belmont Parks & Recreation

February 27, 2019 ~ Wednesday
7:30PM

$115 Balcony Sideline Seats
$85 Balcony Corner Seats

This year’s Boston Celtics team is loaded with talent and is expected to make another run for the championship, as Kyrie Irving and Gordon Hayward return from injuries to join Jayson Tatum and Al Horford. Join us as they take on Western Conference contenders, the Portland Trailblazers led by Damian Lillard and C.J. McCollum in an exciting match-up. Our trip departs from the Belmont Park and Rideshare (Route 106) at 5:15PM. Sit back and relax in our fully equipped motor coach. Our seats are in balcony sideline section #329 and balcony corner section #325. We will depart Boston following the game and anticipate arriving in Belmont around 11:45PM.

We will be travelling with the patrons of Gilford Parks & Recreation; Seats are limited; a registration form must be completed and accompanied by payment. Tickets are non-refundable unless the seat can be resold.

We require a minimum number of participants for this trip and will advise 45 days in advance should we need to cancel.
