Just a reminder that school is back in session, please drive safely!

The 2014 Property Revaluation is nearing completion; the sales analysis process and final field reviews are under way. Letters advising of your new property values should be going out in the mail within the next few weeks with hearings to follow. The hearings will be held at the Corner Meeting House in Belmont and you will be advised in your value letter how to contact Commerford Nieder Perkins for an appointment. The new values will be used to establish the 2014 tax rate and will be reflected in the 2nd issue bill. The Town of Belmont’s 2013 Equalization Ratio was 122.6%; the purpose of any revaluation is to insure proportionality in our values and to bring all properties to 100% of market value. Many of you will see decreases in your overall value as a result. It is important to remind everyone that bringing values to market value may increase the overall tax rate. The Town and School raise and appropriate monies each year at Town and School meetings, use offsetting revenues and then set the tax rate based on the remaining funds needed to provide Town and School services to the community. The total funds needed are then divided by the Town’s total property value to establish the tax rate. Stay tuned to our October newsletter for further information on the anticipated 2014 tax rate. Any questions regarding the Revaluation process should be directed to the Assessing Office at 267-8300 Ext. 118 or to assessing@belmontnh.org.

The Belmont Pavilion which will be located next to the Mill should be under construction very soon. We will be working with NCM Management Inc. and Stewart Associates, both local firms, on the project and we are very excited to have them on board. Volunteer efforts by members of the Revitalization Committee continue to move this project and the river walk and footbridge forward; we could not do this without their help. We anticipate the Pavilion to be complete by late fall and would anticipate it will be available for use in the spring of 2015. Anyone having questions on the design, please feel free to stop by my office.

It is that time of year again and work has begun on the 2015 budget and updates to the Town’s Capital Improvements Plan. Notice of upcoming meetings for both of these important processes will be posted on the Town’s website at www.belmontnh.org.

The Town-wide Water Meter Replacement project has gone out to bid and bids will be opened in mid-September. Once a contractor is chosen to work with the Town, we will post notice of who was chosen and contact information. In addition, the Town is also working on an Asset Management Plan for the Water Department. We have taken great strides to improve our infrastructure and to comply with the stringent rules and regulations that protect our water. The Belmont Board of Selectmen will be holding a public hearing this fall to consider an increase in the cost per gallon of water; this increase will insure continued improvements and maintenance of the Town’s water system. Your support of these ongoing efforts is greatly appreciated. Our 2014 Consumer Confidence Report relative to our water system is available on line at www.belmontnh.org.
The Town of Belmont has completed contract negotiations with Casella for our future trash collection and disposal needs. The contract will begin January 1, 2015. The new contract is anticipated to save the Town money and provide enhanced service. Curbside collection of single stream recyclables will begin in January 2015; no special containers will be necessary, but will need to be clearly marked as recycling. Possible route and collection day changes may need to be considered, however residents will be given plenty of notice prior to any changes. Further information on the recycling program will be distributed over the next few months and will be available at Town Hall. This program will be in conjunction with our curbside collection of trash. The Board of Selectmen will be holding a Public Hearing in early fall to amend the Town’s Solid Waste Ordinance. As a result of our new contract with Casella, the Town’s waste will no longer be going to the Waste to Energy Plant in Penacook and the Town will no longer be an active member of the Concord Regional Solid Waste Cooperative. A copy of the proposed ordinance can be obtained by contacting my office at townadministrator@belmontnh.org. Notice of the Public Hearing will be in the newspaper, posted at Town Hall and the Belmont Post Office.

We would like to remind residents/taxpayers that recycling bins are available at Town Hall so if you haven’t picked up your bins (2 per household), please stop by Town Hall.

**IT is the LAW! (RSA 466:31 II (c))**

We would like to remind all Dog Owners of the importance of picking up your dog’s waste from property not your own. The town installed at two different locations, dog waste stations where you can obtain a plastic bag to pick up the waste and deposit it in the numerous garbage cans located in the Village.

In order to meet the continuing needs of our residents and taxpayers relative to the sharing of information, we are looking for a videographer to work with Town Staff and attend Selectmen and other meetings for the purpose of videotaping the meetings. Anyone interested, should contact the Town Administrator’s office to discuss the position further.

Your feedback is always welcome and if my office can be of assistance, please do not hesitate to contact me at townadministrator@belmontnh.org.

**Pavilion Construction Has Begun!**
Greetings citizens of Belmont!! We hope this finds you all well and content.

This month we have the State Primary Election on Tuesday, September 9, 2014. This is the time we will elect our candidates for Governor, State and County positions. It is an open primary, meaning anyone can vote no matter if you are registered Republican, Democrat, or Undeclared. You must declare a party at the polls, but may return to Undeclared upon exiting polls. As of September 2, 2014 we can no longer accept new voter registrations at the Town Clerk’s office. However, you may register at the polls on the day of the election. The election will be held at Belmont High School, which is located at 255 Seavey Road. The polls will be open from 7AM to 7PM.

The third issue water/sewer bills are coming out this month and due next month. The third issue covers the months of June, July and August. Keep an eye on those mailboxes!

The 22nd of September bids a wistful adieu to summer as this is the first day of fall.

Please remember that school has begun so keep a careful eye out for children! We look forward to seeing you at the polls!!
Minimum Company Standards

Starting this month the Belmont Fire Department will begin implementing training based on a set of Minimum Company Standards (MCS) that have been developed by the officers of the department. These standards provide a baseline for professional development and training for each position within our respective organizations. This month we will be working on the MCS for first due engine company operations. The image shown above is just a snippet of what that entails. Shift officers will be responsible for coordinating the training. Call personnel who are unable to attend the MCS training on their shift should advise their shift lieutenant and attempt to make arrangements to attend another shift’s training.

It is important to understand that MCS are a “Work in Progress”. Minimum company standards are an effective tool not only for evaluating company-level and individual performance; they also serve as a means of standardizing fireground operations throughout the organization (across shifts and companies). The Centers for Disease Control and Prevention (CDC) Foundation and the CDC Office of Public Health Preparedness and Response’s (OPHPR’s) Learning Office selected seven communities that are promising examples of community efforts that reflect and embody the Federal Emergency Management Agency’s (FEMA’s) Whole Community approach to emergency management.

The Whole Community approach to emergency management engages business, government and nonprofit sectors to integrate the needs, capabilities and resources of the community. The organizations have been selected as part of this pilot program for promising progress and leadership in the field. Through this collaboration, the seven selected organizations will receive resources and expertise to expand their preparedness efforts and share best practices.

The seven initiatives selected for this project are:

- **Emergency Kit Cook Off**, Arizona Division of Emergency Management, Phoenix, Arizona
- **Do 1 Thing**, Lansing Office of Emergency Management, Lansing, Michigan
- **The Independent Living Centers**, Joplin, Missouri
- **Resilient Diamond Heights Project**, San Francisco, California
- **Project Wildfire**, Deschutes County, Oregon
- **EvacSpots**, New Orleans, Louisiana

As part of the initiative, CDC will aggregate best practices and lessons learned from the seven communities to build learning communities for disaster preparedness. These best practices and lessons learned will inform the development of recommended preparedness strategies to help other communities adopt and practice the Whole Community approach.

The goal of the collaboration is to build and strengthen partnerships, empower local action, highlight community work, and ultimately create a collective body of knowledge among emergency managers nationwide that supports a Whole Community approach to emergency management.

“CDC works closely with FEMA before, during and after disasters to protect the health of Americans,” said Charles Stokes, President and CEO of the CDC Foundation. “CDC plays an important role in our nation’s health security, working with state and local health departments to prepare for, detect and respond to health threats. The CDC Foundation is pleased to serve as the nexus, where, for this collaboration, CDC, FEMA and cross-sector community leaders can come together to share expertise and resources to improve our nation’s readiness and resilience.”

**FEMA’s Whole Community Approach to Emergency Management**

FEMA recognizes that a government-centric approach to emergency management is not enough to meet the challenges posed by a catastrophic incident. Whole Community is an approach to emergency management that reinforces the fact that FEMA is only one part of our nation’s emergency management team. This larger collective emergency management team includes not only FEMA and its partners at the federal level but also local, tribal, state and territorial partners; nongovernmental organizations, like faith-based and nonprofit groups, and private sector industry; and individuals, families and communities, which continue to be the nation’s most important assets as first responders during a disaster.

**CDC’s Work Related to the Whole Community Approach**

The CDC OPHPR’s Learning Office organizes leadership and community engagement efforts related to emergency preparedness. Recognizing that government alone cannot create and maintain a prepared and resilient community, the CDC continues to explore which community programs achieve the vision of government and communities working hand in hand to secure a prepared, healthy and safe community.

(Cont.)Keep in mind, minimum company standards and individual performance standards must remain fluid and will be reviewed and revised regularly to ensure they comply with applicable standards and the department’s latest SOGs and GO’s. The MCS will be used to measure our skills and to help plan for future training needs.
The Police Department’s newest addition will be arriving in style this September

By Officer Evan Boulanger

The Police Department is pleased to announce the creation of a K-9 unit after the Board of Selectman approved the motion unanimously on July 7, 2014. The Department and Town are committed to the community we serve, it is with this in mind that we move forward with this project. We are so fortunate that we are able to provide this resource to the town at no cost to the taxpayer. The money used to purchase the dog, about $16,000.00, will come from the Department’s drug forfeiture account. This account was established so that when we seize money or assets from drug dealers, we can use that money to purchase drug prevention equipment.

With the purchase of the dog we will get a 1 ½ year old trained dog, cruiser insert to transport the dog, all the start up leads, collars, and harnesses, and a 4 week live in academy. This dog will help us find and locate narcotics being brought into town, track suspects, find missing people, and locate evidence. Belmont uses the dog upwards of 50 times annually, when one is available. Sometimes we have to wait an hour+ while we try to find an agency that is willing to help out. This purchase will provide to the Town, an exponential increase to the police services you deserve and expect.

We are purchasing the dog through a vendor in Pennsylvania called Castle K-9. We selected this vendor for a few reasons. The first being Castle K-9 selects and trains with the dogs well before a handler is ever introduced to the dog. This saves valuable time and gives the dog and the handler a jump start with training. The second reason is the types of dogs they train. Castle K-9 has been in constant communication with us and they understand the type of dog we want working in Town. This dog is going to be a community dog through and through. You will see him at events, in the schools and doing demonstrations around town.
Police Department News (cont.)

It’s important to the Police Department that we maintain our partnership with the community because that is the only way we will be able to take back our streets.

Finally we have had some amazing people step up and want to be apart of this program and we would like to recognize them. This program is being funded by drug money, but it’s being sustained through members of our generous community.

Osborne’s Agway, 304 Daniel Webster Hwy, Belmont- Has worked tirelessly with vendors to provide all of our K-9’s food.

Noreast Veterinary Associates, 5 Wareing Road Belmont- Will be donating all of the annual check ups and medical needs for our newest officer. They have even donated after hour emergency medical attention.

Granite State Glass 166 South Main Street Laconia- Is donating the tinted glass for the cruiser to help keep our K-9 cool.

Wolcott Construction Gilmanton NH- Our first monetary donation!

Winnisquam Marine 12 Sunset Drive Belmont

Northeast Security Agency Alton

If you would like to donate to our K-9 fund, donations will be gratefully accepted. Checks can be made out to the Town of Belmont and in the memo field note K-9 Fund.

Stay tuned for updates about the K-9 program! As we get closer to the program’s start date we will post new pictures and information on our website and Facebook account.

Again, we can not thank our Community and Selectman enough for taking this proactive stance on the drug epidemic that has hit our area. We are proud to serve you and look forward to everyone meeting our newest member to the force.

7/15/14 Trooper Forbes and his k-9 Partner Rocco were requested to search a car at BPD. 3 grams of heroin, numerous pills, methadone, and a large amount of cash were seized from this stop.
September is Library Card Sign-Up Month!

Q: What’s the most important school supply of all?
A: A library card!!

Happy Labor Day!
The library will be closed Monday, September 1 in honor of Labor Day.

T.A.G. Team
Join our Teen Advisory Group (ages 12-18) to help us plan games and crafts. This month we are getting ready for our Sept. 16 Crafternoon on braided bracelets. We'll also be working on displays and activities for Banned Books Week (coming up September 21-27).

Fizz Boom Read Comes to a Close
We’d like to give a big thank you to everyone who participated in Fizz Boom Read this summer. 134 kids signed up to be super readers and library patrons! Also a big thank you to all the parents, grandparents, and caregivers who brought their kids to the library this summer, to the wonderful performers who put on dynamite shows, and to the following area businesses who donated goods and services to the program:

- Belmont Parks & Recreation
- Big Lots
- Brookside Pizza
- Canobie Lake Park
- Coca-Cola
- Funsport
- Market Basket
- Portland Sea Dogs
- Santa’s Village
- Subway
- Water Country

During the summer we offered 6 themed Storytimes, 2 science Crafternoons, a Hippie Science tie dye event, a Mad Scientist program, and 3 Fizz Boom Read performers. Peter Boie, Magician for Non-Believers, kicked off the summer for a crowd of about 100 children and caregivers on the library lawn. Funding for this Kids, Books and the Arts event was provided by the Jack and Dorothy Byrne Foundation, CHILIS, Cogswell Benevolent Trust, and is supported in part by a grant from the NH State Council on the Arts and the National Endowment for the Arts as well as funds administered by the NH State Library provided by the Institute of Museum and Library Services.

We co-sponsored with Belmont Parks & Rec a visit from The Children’s Museum of NH, presenting their program Fizz Boom… Think!

Lindsay and Her Puppet Pals put on a lively performance in the children’s room, which was sponsored 100% by Brookside Pizza.

Brookside also provided coupons for a free slice of pizza for every child who registered for Fizz Boom Read, and then delivered pizza for 50 children and parents at our closing party on August 15! Thank you Brookside Pizza for making this a very special summer at BPL!

Banned Books Week
September 21 – 27
Banned Books Week is the national book community’s annual celebration of the freedom to read. It was launched in 1982 in response to a sudden surge in the
number of challenges to books in schools, bookstores and libraries.

Celebrate the freedom to read @ your library!

Things to do:

- Check out this timeline of 30 Years of Liberating Literature: [http://goo.gl/olP3Gj](http://goo.gl/olP3Gj)

- Donate $10.00 to help support the Banned Books Week initiative by texting ALABBW to 41518.

- Read some banned books! Many of the classics have been challenged, including the following from our collection:

  *The Great Gatsby*, by F. Scott Fitzgerald
  *The Catcher in the Rye*, by J.D. Salinger
  *The Grapes of Wrath*, by John Steinbeck
  *To Kill a Mockingbird*, by Harper Lee
  *The Lord of the Flies*, by William Golding
  *1984*, by George Orwell
  *Lolita*, by Vladimir Nabokov
  *Of Mice and Men*, by John Steinbeck
  *Catch-22*, by Joseph Heller
  *Animal Farm*, by George Orwell
  *The Sun Also Rises*, by Ernest Hemingway
  *As I Lay Dying*, by William Faulkner
  *A Farewell to Arms*, by Ernest Hemingway
  *Their Eyes Were Watching God*, by Zora Neale Hurston
  *Gone with the Wind*, by Margaret Mitchell
  *Native Son*, by Richard Wright
  *For Whom the Bell Tolls*, by Ernest Hemingway
  *The Call of the Wild*, by Jack London
  *The Lord of the Rings*, by J.R.R. Tolkien
  *The Jungle*, by Upton Sinclair
  *In Cold Blood*, by Truman Capote
  *The Naked and the Dead*, by Norman Mailer

Crafternoon Bracelets
*Tuesday September 16 at 4pm*

Make your own braided bracelets! We will be using yarn and embroidery floss to make braided bracelets, sometimes known as friendship bracelets.

For all ages. (Sponsored by T.A.G.)

Storytimes

Storytime is on Wednesday morning at 10:30.

*September 3* – Back to School
*September 10* – Apples
*September 17* – Fall
*September 24* – Leaves

Lego Club

*Saturday, September 6, 10:30 am – noon*

Lego Club is back! Come build with us! Lego Club meets the first Saturday of every month from 10:30 to noon. Children ages 4 and up are encouraged to bring their imagination and build on each month’s theme. The Library will provide all children with Legos to build, and finished pieces will be put on display in the Children’s room. Sign up is not required and late arrivals are always welcome. The theme for September is *School Days*.

Ancestry Library Edition

Ancestry Library Edition brings the world’s most popular consumer online genealogy resource to your library. Answers await everyone—whether professional or hobbyist, expert or novice, genealogist or historian—inside the more than 7,000 available databases. Here, you can unlock the story of you with sources like censuses, vital records, immigration records, family histories, military records, court and legal documents, directories, photos, maps, and more. Come into the library to try it out!
Scrabble Mondays
Board Game Thursdays

Both at 3 pm

Just drop by, or sign up in advance to make sure you'll have a worthy opponent! Our board games include Monopoly, Scrabble, Apples to Apples, Pictureka, The Worst Case Scenario Game, and more!

Book Group

Monday, September 30 at 6 pm

The book group will be reading *Flight Behavior: A Novel* by Barbara Kingsolver. Book group will meet this month on Monday September 30 at 6 pm. (change from usual day). If you would like to join us, stop in to pick up a copy of the book.

Craft Night

Thursdays at 6 p.m.

Bring a craft and share a fun hour with friends! Some craft materials will be available for you to use, but feel free to bring your own as well. No need to sign up, just drop by!

New Books

**Fiction**

*Appeal, The* – Grisham, John
*Coming of the King* – Tolstoy, Nikolai
*Drawing of the Three, The* – King, Stephen
*Keys to the Castle* – Ball, Donna
*Loving Rose* – Laurens, Stephanie
*Miss Liz’s Passion* – Woods, Sherryl
*One on One* – King, Tabitha
*Sweet Salt Air* – Delinsky, Barbara
*Without Fail* – Child, Lee

**Large Print**

*City, The* – Koontz, Dean
*Cut and Thrust* – Woods, Stuart
*Fast Track* – Garwood, Julie
*For All Time* – Deveraux, Jude

**Nonfiction**

*Abstinence, 2nd ed.: Members of Overeaters Anonymous Share Their Experience, Strength, and Hope*
*American Sphinx: The Character of Thomas Jefferson* – Ellis, Joseph J.
*Boys in the Boat, The* – Brown, Daniel James
*Dave Barry Slept Here: A Sort of History of the United States* – Barry, Dave
*Health* (magazine)
*I Work at a Public Library* - Sheridan, Gina
*Parliament of Whores* – O’Rourke, P. J.
*Under the Black Flag: The Romance and the Reality of Life Among the Pirates* – Cordingly, David

**Audio Books**

*Cause of Death* – Cornwell, Patricia
*Sixth Man, The* – Baldacci, David

**Teen Books**

*City of the Beasts* – Allende, Isabel
*Daemon Hall* – Nance, Andrew
*Revenge of Seven, The* – Lore, Pittacus

**Children’s Books**

*Day the Mice Stood Still, The* – Harrison, Paul
*Tasha the Tap Dance Fairy* – Meadows, Daisy

**Children’s DVDs**

*Fairy-Tale Family Classics: Hansel and Gretel; Rumpelstiltskin; Sleeping Beauty*
*Sesame Street Lead Away!*

**Video Games**

*Alvin and The Chipmunks (PS 2)*
*Ridge Racer V* (PS 2)

**DVDs**

*Deadly Shooter*
*Fight Club*
*Halo 4: Forward Unto Dawn*
*Kate & Leopold/Serendipity*
*Last Tango in Halifax, Season 2 Premonition*
*TV’s Last Christmas Shows*
*Yoga for Strength & Flexibility*
*Zen of Bennett, The*

**Library Staff**

Planning and Zoning News

September, 2014

Planning Board

- Approval for Opechee Construction Corp to construct a 2,670sf warehouse structure at 11 Corporate Drive.

Zoning Board

- Approval for Shannon Alexis Day to allow a roofed entry at 296 Province Road.
- Approvals for William & Doreen Cleary to reconstruct a single-family home at 105 Tucker Shore Road.
- Approvals for Daniel & Carol Mello/Mallards Landing Association to reconstruct a seasonal single-family home at 84 Mallards Landing Road
- Approvals for Scott & Barbara Trahan to reconstruct a single-family home at 97 Tucker Shore Road.

Visit www.belmontnh.org/agendasminutes.asp to view Agendas and Minutes for all meetings.

Other Land Use News

Capital Improvements Program - The Planning Board will hold a work session to review the proposed annual update to the Capital Improvements Program (CIP) at 7pm, Monday, September 8th at the Belmont Corner Meeting House and a Public Hearing on the final plan has tentatively been scheduled for 7pm, Monday, September 22nd.

The CIP is a multi-year budgeting tool schedule for capital expenditures defined as projects costing in excess of $25,000 with a useful life of at least one year. The purpose is to link Community Vision from the Master Plan with the implementation of capital projects. The CIP, originally adopted in 2004, is updated annually in response to the actual budget appropriated by the voters at the previous Town Meeting and requests for new or amended capital projects for the upcoming six years. The projects are prioritized by their placement over the term of the 6-year plan resulting in a more level tax rate impact. The current funding draft, current plan and past budgets can be viewed at www.belmontnh.org/datacip.asp.

Please do not hesitate to contact the Land Use Office with any Land Use inquiries.
On August 8, 2014, the Conservation Commission purchased Lot 9 in the Tioga Ridge subdivision (Tax Lot 229/24-9) on Wild Acres Road for the express purpose of providing safe, upland access to existing conservation parcels. This lot has a permitted, constructed driveway over a wetland that leads to a small area that is suitable for parking. Behind the parking area, there is a path that leads to the breeched Bean Dam and the remains of the Duffy Reservoir impoundment.

Prior to the Commission purchasing the Bean Dam property in April 2011, James Locke fulfilled a Letter of Deficiency from the NH Dept. of Environmental Services – Dam Bureau to breech or repair the derelict dam. The dam had been a timber crib – stone filled dam built in the 1930’s to provide water to the Belmont Hosiery Mill. The timbers had all rotted away over time and there was nothing to hold the loose rock in place with a plausible result of catastrophic failure that had the potential to wash out Brown Hill Road downstream. Any unmaintained dam will eventually fail; the only question is whether it will fail imperceptibly over time or catastrophically all at once wreaking havoc downstream.

Remember – All Conservation Parcels Managed by the Commission are “Carry In – Carry Out”

The Conservation Commission is looking to increase its membership. Contact Rick Ball @ 267-8300 x125 or LUTech@belmontnh.org.
Fall Foliage Trip & Brewery Tour
Franconia Notch State Park in the Heart of the White Mountains!

October 7, 2014
8:00am—4:30pm

There is nothing like NH during The Fall Foliage Season. Why go anywhere else? Join Belmont Parks & Recreation on a scenic trip through Franconia Notch State Park. We begin our trip at Cannon Mountain where you can take the tramway to the top and see the tree colors all the way to Canada. Be sure to save some time to visit the New England Ski Museum when you come back down. Our next stop will be at the Old Man of the Mountain Historic Site. Do you remember what it looked like? Relive your memories. Next, take a stroll alongside small water cascades as you make your way to The Basin, a “pothole” in the Pemigewasset River, formed 25,000 years ago by the water flow of melting glaciers. Lunch will be served at the Woodstock Inn Station & Brewery. (See lunch choices page 2) After a delicious lunch, enjoy a private tour of the brewery. This trip is being offered in conjunction with Moultonborough Recreation. The bus will be leaving the Belmont Rideshare on Route 106 at 7:30am, travelling to Moultonborough Recreation to pick up their patrons. We will return via Moultonborough and arrive at the Belmont Rideshare at 5:15PM.

Cost: $50
The above price includes transportation, lunch, and tour of brewery.

Please Note:
There is a considerable amount of walking on this trip. Some trails may be uneven. Please call for more details if this is a concern for you.

The Cannon Mountain Tramway is NOT included. The Tram is free for NH Residents age 65 & over (bring your license). For all other adults, the Tram is $16. The Basin, New England Ski Museum & Old Man Historic Site are free.

Registration forms are available on our website:
Belmont Parks & Recreation Department
www.belmontnh.org
(603) 267-1865
Belmont Parks & Recreation Soccer

3 Years up to Kindergarten

September 8, 15, 22, 29, 2014, Monday Nights
Sargent Park, Downtown Belmont

3 year olds: 5:30PM-6:00PM
4 year olds: 6:00PM-6:30PM
Kindergarteners: 6:30PM-7:15PM

$10 per player, add $8 for optional t-shirt

Our program is limited to Belmont children who are 3 years old up to enrolled in kindergarten by September 30, 2014. Stephanie Derosier will show the players simple ball skills through fun interactive games. Players need to wear sneakers, shin pads are recommended but not required.

The program has a limited number of spaces, payment and a completed registration form are required to confirm a space. If you would like a Belmont Parks and Recreation soccer shirt please include an additional $8.00 with the registration fee.
