BELMONT LAND USE OFFICE

TO: Belmont Business Owners
FROM: Belmont Planning Board
RE: Business Index

The Belmont Planning Board has created a Belmont Business Index that lists businesses located in Belmont by both name and business category. Please consider listing your business on this effective advertising tool – at no cost.

Copies of the Index are available at the Belmont Town Hall and the Index is prominently displayed on the Town of Belmont's Web Site under the '**ABOUT BELMONT**' tab. It's a great tool for advertising and reaching clients who want to do business with local contractors, businesses and craftsmen.

In addition, the Planning Board sends information of interest to our local businesses to those companies included on the list and requests their input on community matters.

Don't miss this opportunity to be included with other local businesses – effectively increase your advertising – keep informed on community matters. If you are already listed with us, you can also update your info by completing the questionnaire.

You can also let us know about other services we do, or should provide by completing the **Customer Satisfaction Land Use Survey** available in our office or from the **Applications Page** under the '**DATA CENTER**' tab on the website.

Thank You for your Participation!
