

# **Belmont Master Plan Community Facilities**

**Please provide your input on the  
following**

**What additional services or facilities would enhance your use of the Belmont Library?**

---

---

---

**If additional elementary school facilities are necessary in the future, in what area of the community do you feel they should be located?**

---

---

---

**Do you think the community should provide a substation in the Route 107 area to enhance emergency services (fire – police) in that area?**

---

---

---

**Are there other improvements to community facilities that you would recommend or additional needed facilities?**

---

---

---

**Residents are encouraged to visit all of Belmont's Community Facilities and become familiar with the services available. Contact individual departments for convenient tour times.**
