

Santa to visit Belmont Saturday

Written by Mike Mortensen

BELMONT — Santa is taking time out of his busy schedule this holiday season to make a guest appearance in Belmont this Saturday, Dec. 9. Bring the kids and enjoy cocoa and cookies starting at 2 p.m. near the village bandstand on Mill Street. Children can create their own magical ornament for the holiday season in the Belmont Public Library.

Please dress warmly as visits with Santa will be held outside on the bandstand. Don't forget your camera! Contact Gretta Olson-Wilder, special events coordinator, at 603-998-3525 with any questions.
