

Tri-Town Aquifer Project

LRPC, Belmont, Northfield & Tilton

Awards/Recognition

- NH DES 2010 Source Water Protection Award for Water Quality Protection
- LRPC Award of Excellence to the Towns for Protecting the Tri-Town Aquifer and providing a pioneering example of regional groundwater protection in the Lakes Region and State of New Hampshire
- NH DES *The Source* – “This regional collaborative to make aquifer protection consistent across community boundaries is unique and innovative...The tri-town aquifer project now serves as a catalyst for regional groundwater protection throughout the Lakes Region and elsewhere. This is due, in large part, to the dedication of the community representatives.”
