Dear Shaker Regional School Districts voters (Belmont and Canterbury):

On behalf of the Save Our Gale School Committee (SOGS), thank you for your strong support for Article 4 at last Tuesday's vote. Your message was clear: "sell the Gale School to SOGS so that we might save and repurpose this historical building." With hard work, time, grants, and contributions of money/services, our efforts will continue. (If you have any ideas, suggestions, time, or wish to contribute/participate in this project in any way, PLEASE contact us at — [www.belmontnh.net](http://www.belmontnh.net))

Now that SOGS owns the building, we are able to look for a piece of property within a reasonable distance from where it now stands; we hope to move it in one piece. This will be no easy feat; the closer this property is to the Gale School's present location — the easier and less expensive such a move will be.

It is our hope that the Shaker Regional School District will do everything possible to help us in this monumental undertaking. After all — it is in our mutual best interests that we are successful in this endeavor; the district will finally get this unwanted building out of their way, while SOGS strives to bring it back to life with a new purpose.
